

Gardening on the Edge 2018

This year we bring you 5 new gardens to experience and one favourite which was opened eight years ago.

Each year we make an effort to bring you new gardens to visit to give you a taste of what it is like to live and garden in our beautiful hinterland. The Maleny Garden Club puts its best foot forward to present an event which brings pleasure to our visitors and benefits our local community.

The Profits from this event are donated each year to local organisations, such as the Rural Fire Brigade, Range Care and the Maleny Memorial Soldiers Hospital. Visitors have been enjoying this event since 2005 and we hope to continue indefinitely.

Descriptions and a photo of each property will be posted on our website during the next few months. A map of the garden trail will also be posted on our website here some time before the event to help our visitors plan their day.

We offer not only the gardens but a garden inspired market with more than twenty specialist stalls. Our stallholders also look forward to the event and regard it as special amongst so many “expos” up and down the coast. We remain a community based and focused event.

*Come and join us to celebrate
our little piece of paradise.*
